EXTRA TO ONE IN OTHER COLUMN!

Please label everything as there are always items left unclaimed at the end of Camp!
 We will travel to Camp in full Uniform unless it is VERY HOT. Skip will then allow us to travel in shorts and Uniform shirts/ neckers.

* Please note that this year (only!) we are central catering to provide maximum time on activities. We are, therefore, providing all cutlery and crockery items for everyone on camp!

* We still require the Scouts/Explorers to provide tea towels since they will be assisting with the washing and drying of their own Patrol's cutlery & crockery.
